

Hello Fellow Pickleballers. With only three weeks to go to the first **English OPEN** I'm letting you know about a couple of *super-special offers* exclusively for those attending the Tournament. For those of you who don't know me, I'm Jane McGuire and I run the **UK Pickleball Shop** online. I'll be playing and also running a pop-up shop so do please come and see me. As I'll only be able to bring along a small amount of my huge stock (and some of my demo paddles), if you want to buy or try something in particular do let me know in advance so I can bring it for you.

I'm very excited to see you all soon!
