

TENNIS COURT DIMENSIONS v PICKLEBALL COURT DIMENSIONS COMMON SIZE (2 COURTS)

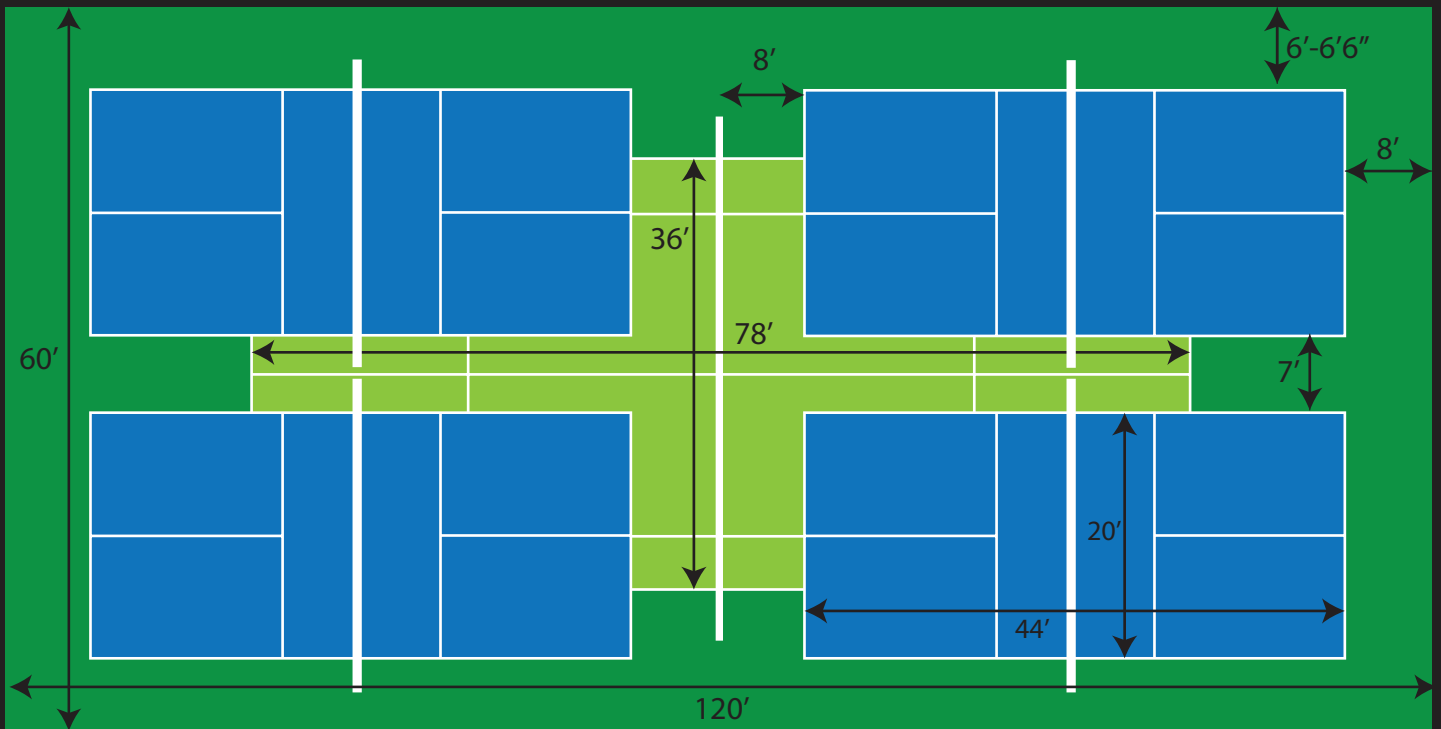

Guidelines for painting the lines

- Pickleball court lines should be 50mm width white lines
- PickleballENGLAND supports the use of blended pickleball lines on a tennis court
- ITF rules state tennis court lines must be white. By adding pickleball court lines in a different colour these lines can be less distracting to tennis players
- Use water based extra textured sports line paint

Pickleball
ENGLAND

TENNIS COURT DIMENSIONS v PICKLEBALL COURT DIMENSIONS INTERNATIONAL SIZE (4 COURTS)

Guidelines for painting the lines

- Pickleball court lines should be 50mm width white lines
- PickleballENGLAND supports the use of blended pickleball lines on a tennis court
- ITF rules state tennis court lines must be white. By adding pickleball court lines in a different colour these lines can be less distracting to tennis players
